**Stephanie Hickman, BA, LLB**, is a partner with the St. John's office of Cox and Palmer. She has extensive experience in construction law, the energy and natural resources sector, and corporate and commercial transactions for local and international companies. Since 2013, Stephanie has been consistently listed as a national leading practitioner in energy law, construction law, and corporate law by the publication *Best Lawyers in Canada* and by the *Canadian Legal Expert Directory*. She has many publications across a wide spectrum of legal interests: occupational health and safety, social media and employment relationship, construction law, and aboriginal rights in the Atlantic Canada petroleum industry. She brings over 20 years of personal learning and professional achievement to the Fireside Chat conversation.

Stephanie's response to the invitation to share her experience with established and aspiring women leaders was spontaneously enthusiastic. She will share the wisdom of her experience and will invite dialogue with participants.

Come and sit around the fireplace and help keep the W2W flame alive! Admission is free for those who attended the November *W2W Empowering Leadership* conference; \$20 for new participants who are most welcome. Drop-ins are always welcome but to ensure your seat at the fireside, please register at [information@thelantern.ca](mailto:information@thelantern.ca).
