

## **PUBLIC LECTURE**

### **WIDENING OUR VISION in Spirituality, Sustainability and Earth Justice**

The emergence of ecological worldviews and other fresh insights promoting ecological democracy and earth justice are signaling that another world is possible. Awakening our sense of wonder is central to this shift in consciousness.

#### **Presenter: Heather Eaton, PhD**

Heather is a professor at Saint Paul's University. Her recent work looks at religious imagination, evolution, Earth dynamics, peace and conflict studies on gender, ecology, religion, animal rights, and non-violence.
