

Update re St. Catherine's Renewal Centre
Grand Falls-Windsor, NL Canada
as of June 9, 2016

Sister Sharon Fagan, Provincial Leader of the NL Presentation Sisters, and Sister Lois Greene, Assistant Leader, were in Grand Falls-Windsor Thursday, June 9th, for a Press Release announcing the gifting of St. Catherine's Renewal Centre by the Presentation Sisters as a Hospice Centre where Palliative Care will be provided for the dying and support offered for their families. It will become Dr. Lionel Kelland House/Presentation Hospice.

Dr. Lionel Kelland House will be the province's first hospice. We are privileged to help secure its future. Much conversation and planning needs to happen in the days and months ahead as the dream for Dr. Lionel Kelland House becomes a reality in the lives of those it is being dedicated to serving.

Let us together assure all those involved in its unfolding of our continuing support.
